REPORT NO.

One thousand copies (printed in Siamese) of Dr. Jessup's speech in the United Nations regarding the Indonesian problem were obtained from USIS in Bangkok and disseminated among the Laos and Viets around Nong Khai, Udon and Sakon Nakhon by Tieng Sirikhan* and Tao Oon**.

25X1A [REDACTED] Comment. Although this report may not be important in itself, too much emphasis cannot be given to the fact that two of the leading figures in northeastern Siam and Laos regions are sufficiently pro-American to disseminate official propaganda.
